CAMPERS WILL PARTICIPATE IN A VARIETY OF PROGRAMS!

The following are available to you and your group during open exploration time.

Miss Perception's Mystery House:

Where baffling clues and bits of evidence await discovery in every room. Piece together whatever you can find in these nooks and crannies - and be sure to bring your problem-solving hat!

Traveling Exhibit:

Changes seasonally. Ask your sales representative about the current exhibit.

Adventure Expeditions:

Travel back in time to the land of the Pyramids, where you embark on an expedition in search of a lost Pharaoh's tomb. Along the way you'll encounter a jackal-headed Anibus and uncover secret hieroglyphics that provide clues to solving the mystery inside the tomb.

Kidworks:

Dare to cross a narrow rope bridge three stories high and who knows what you'll find on the other side! Why, it's a bunch of climbing, crawling, swooshing, swinging things to do-plus a few mind-stretching brain games too!

R & D Dreamlab:

If you want to make a dream real, sometimes you've just got to mess around in the ol' workshop. Well, you can come tinker here, in our own R & D Dreamlab, with real tools you can use to make new and inventive crafts. Who knows, maybe it'll be you who invents the next Port Discovery!

African Masks:

African masks are used in a variety of ways. They may be worn for important ceremonies, such as a coming of age, a wedding, or a funeral, as part of the ritual of secret societies, or to make crops grow or bring rain. Make an African mask of your own while learning all about this wonderful continent!

S.W.A.P.S:

What better place to meet new friends and S.W.A.P than at Port Discovery? Bring some SWAPS you have made and trade with girls from other troops. Who knows you might even make a new friend!

Additional exciting programs/workshop will be announced during your group welcome!
