

PORT DISCOVERY Children's Museum Discover ME Days

MetLife Foundation

Presented by **CVS**
CAREMARK

For Children of ALL abilities

Discovery ME Days are uniquely focused for inclusion groups.

Port Discovery Social Stories

Check out Port Discovery Social Stories at portdiscovery.org under Educator Resources. Social Stories were originally created by Carol Gray (the graycenter.org) to help children with autism understand what to do in social situations. Port Discovery Social Stories script out various situations and environments that children may encounter during a Museum visit.
