PORT DISCOVERY Children's Museum

Membership Policies

Port Discovery works hard to keep our membership packages affordable and accessible. Below are Port Discovery's membership policies, as adopted on January 1, 2017. Port Discovery reserves the right to change these policies at anytime, without notice.

1. Memberships are non-refundable.
2. Membership cards are electronically sent to the email address given at the time of purchase. The cards may be printed or shown on your mobile device at time of entry along with photo ID.
3. Cardholders are adults, 18 or older, who are authorized by the purchaser of the membership.
4. Only primary cardholders can make changes to the membership.
5. Adults named on your membership can be a parent, caregiver, nanny, grandparent (or any combination thereof). Additionally, cardholder names can be updated at any time at no cost.
6. Our members can send their children to the Museum with a temporary authorized person (e.g. nanny, grandparent) with a signed note to use their membership at no additional charge. ***For safety reasons, your guests may not be admitted without a signed, dated note with contact information.***
7. Membership privileges cannot be applied to group or birthday admission.
8. The only level of membership that is tax deductible is the Contributing Family level. \$56 of this membership is tax deductible.
9. Port Discovery is an ACM reciprocal museum. As of April 1, 2013, the ACM Reciprocal Network admission policy is 50% off general admission for up to six (6) people. Guests under the age of two (2) are always free.
10. Members must abide by all rules and policies. The museum reserves the right to revoke membership privileges if it is deemed in the best interest of the museum.

Box Office Associates will request photo identification upon entry. Additional membership information can be found at www.portdiscovery.org.
