Port Discovery's Scripted Stories:

Scripted Stories were originally created by Carol Gray (thegraycenter.org) to help children with autism understand what to do in social situations.

Port Discovery's scripted story script out various situations and environments that children may encounter during a museum visit.

Access Port Discovery's scripted stories at
portdiscovery.org/educators/specialneeds_scripted

\$4.00 per child (Reg. \$10.00)
10am to 1pm. Bring your lunch

We serve children age 2 to 21 operating or functioning on a fifth grade level or lower. Call for individual rates and out of state prices. No minimum required.

35 Market Place at Baltimore's Inner Harbor
MTA Metro Station: Shot Tower/Market Place
