Kiddo not a huge fan of bath time? Turn it into play time by creating fun bath bombs!

Bath bombs can encourage fun and playtime in the bath by using senses of touch, smell, and sight! Making these bath bombs is also a creative activity for you and your little ones to engage in, spend time together making and enjoy with each other!

**Materials Needed:**
- 2 bowls
- Whisk
- Spoon
- Dry Ingredients listed below
- Wet Ingredients listed below
- Ice Tray / Muffin Tin / Silicone Molds

**Directions:**
**Step 1:**
Gather the dry ingredients below and mix them together

- 8 ounces of Baking Soda
- 4 ounces of Citric Acid
- 4 ounces of Corn Starch
- 4 ounces of Salt

**Step 2:**
In a separate bowl, combine the below wet ingredients:

- 2 ½ Tablespoons of vegetable oils
- 2 Tablespoons of your favorite essential oils
- ¾ Tablespoons of water
- 3 light drops of food coloring
Step 3: Slowly add the wet ingredients to the dry mix while stirring with a whisk.

Step 4: Molding the Mixture

Once the mixture feels damp, pack it into a mold - you can use an ice tray, muffin tin or silicone molds!

Wait until the mixture is the completely dry before gently removing it from the mold.

Drop your finished bath bomb in the bathtub and enjoy!
