## Sensory Friendly Sundays

One Sunday of every month, Port Discovery offers a sensory friendly experience for families from 9 AM-11 AM. For more information, visit [PortDiscovery.org/Access](http://PortDiscovery.org/Access).

### Tips

Port Discovery Sensory Kits- including a timer, a variety of fidget toys, a dry erase board with markers, sunglasses, communication cards, an emotion rating chart and noise canceling headphones—are available at the Guest Services Station.

On Sensory Sundays, Sensory Kits are accessible at the entrance. Weighted blankets are always available at the Guest Services Station.

Our ship horn sounds every 7 minutes while the museum is open for standard operating hours.
