

Going on a Field Trip

Created by: Laurie Moran, M.Ed.

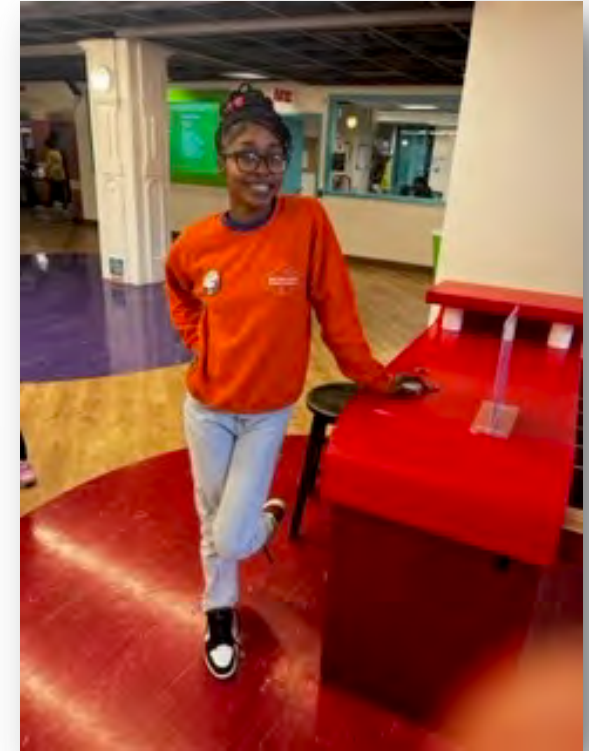

Today, I am going on a field trip to Port Discovery. Port Discovery will be fun!

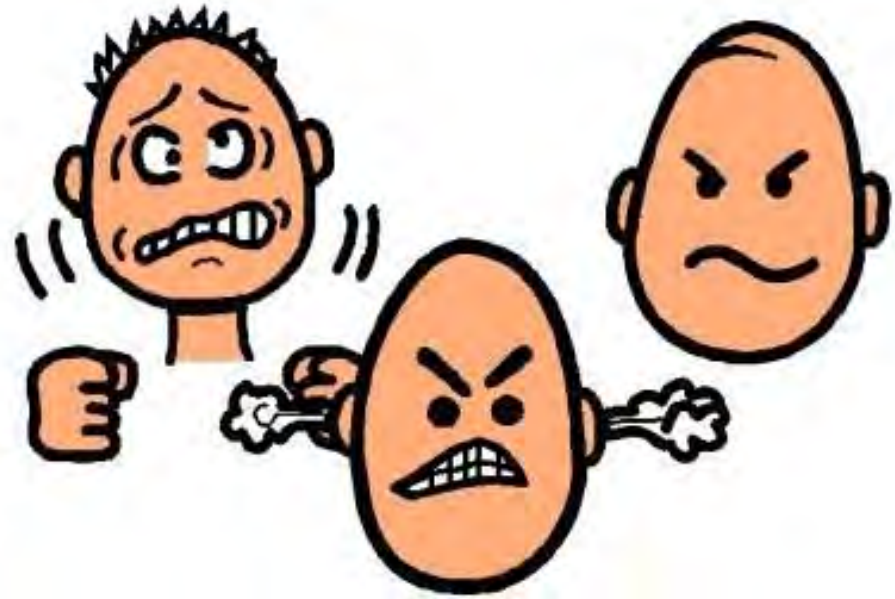

Port Discovery is a museum with exhibits. I can play in the exhibits.

When I get there, I may need to wait in line to go into the museum.

Waiting to get into the museum can be hard.

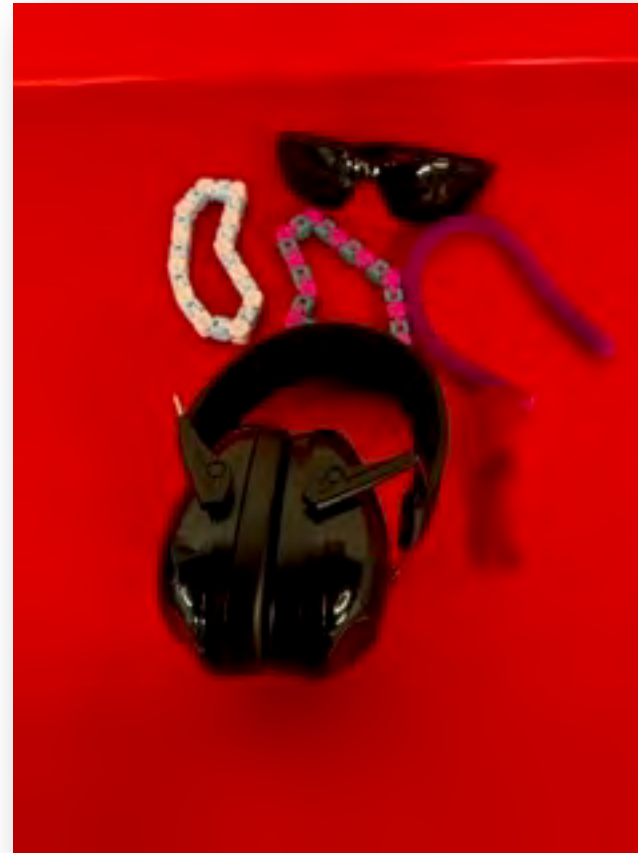

I can wait and do a good job!

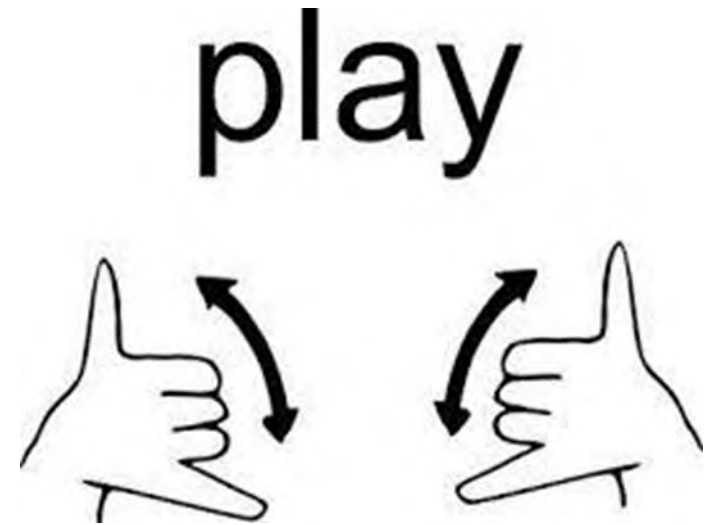

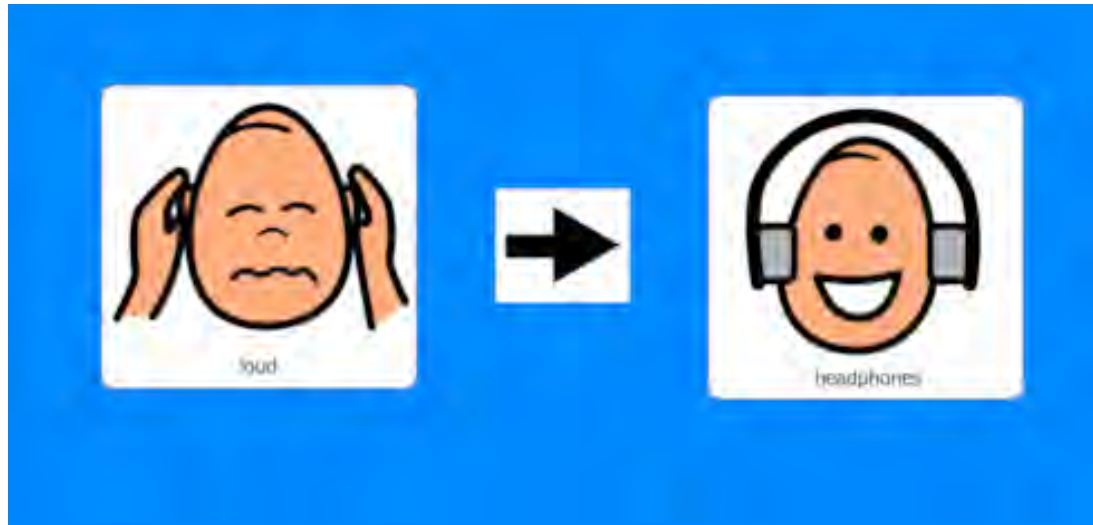

In Port Discovery, there are lockers for my things.

Some areas of Port Discovery may be loud. I can ask for headphones.

I can put on my headphones and play.

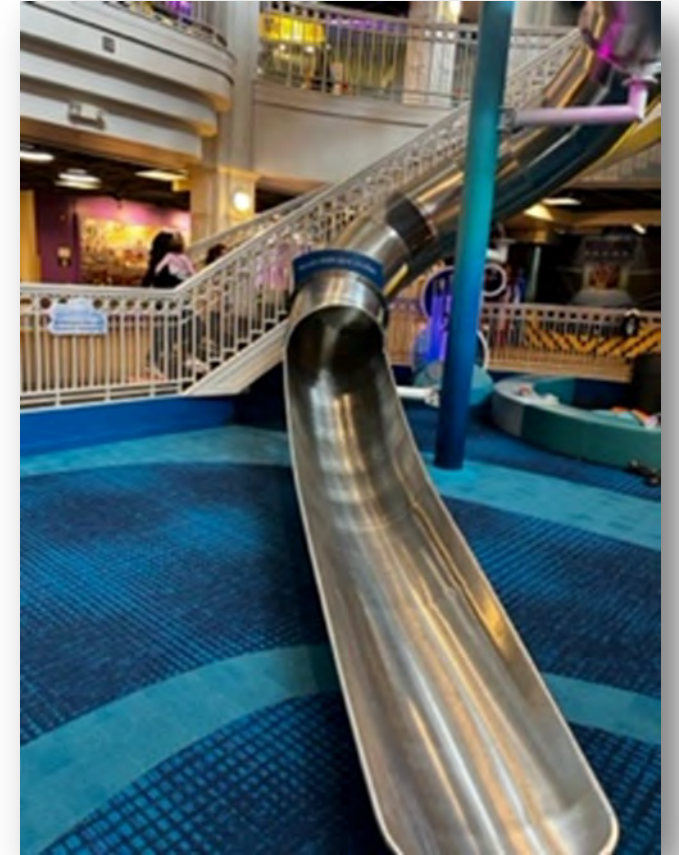

If I need a backpack, I can get one to help me.

In Port Discovery, I can take the stairs or the elevator to see things.

I can play. I can have fun!

I can look and touch things in the museum.

I can go to Kick It Up! I can run and kick a ball!

There are places I can go to take a break.
These places are quiet.

I can go to the Studio Workshop. I can paint. I can draw. I can make things in here.

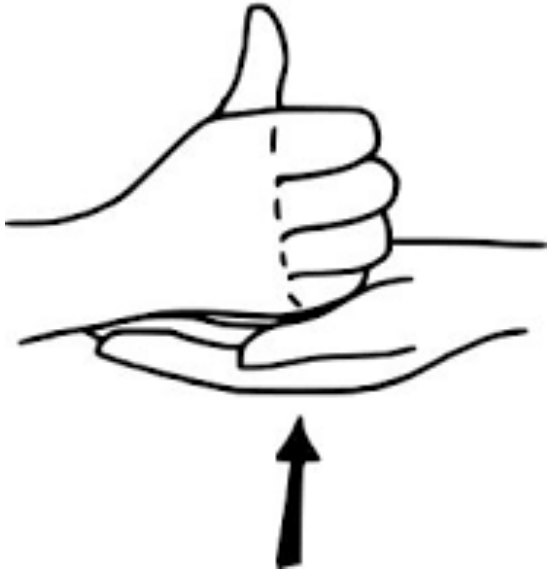

I can go to the Sky Climber. I can climb and slide down a slide.

Sometimes, I may need a break. My teacher/
